C+P lockers, Evolo PLUS, feet, 2 compartments, 1950x800x500mm, 9016/3015

locker Evolo PLUS, 2 compartments, compartment widths 400 mm, body made of sturdy steel construction with high-quality enamel coating for high UV and corrosion resistance, closed and slanted side profiles for easy interior cleaning and convenient removal of clothing, Door opening limiter 90 degrees, as protection against overstretching the door, Steel doors with soft stop and closed side profiles for maximum stability, with easy-to-clean ventilation hole pattern at the top and bottom, mounting in sturdy bolt hinges, Door(s) hinged on the right, 2 Cylinder locks with 2 keys, locking circuit up to 1000 different key numbers, 2 Plastic label holder, black, self-adhesive, incl. transparent plastic cover and white label for individual labeling, 100 mm high plastic feet for extended corrosion protection, with integrated level adjustment and sleeves to stylishly cover the adjustment screws, conveniently adjustable from the inside and outside, Dimensions (H x W x D): 1950 x 800 x 500 mm, Color: RAL 9016 Traffic white, Doors: RAL 3015 Light pink, Feet: RAL 7021 Black grey

Product advantages:

+ Body with ventilation openings at the top and bottom for optimum air circulation
+ Doors extremely torsion resistant due to closed side profiles
+ Fronts additionally with easy-to-clean ventilation hole pattern for even more effective ventilation
+ Door opening limiter to protect the door from overstretching and from overlapping with the usable space of the neighboring cabinet
+ Increased corrosion protection thanks to zinc-plated locker base and sturdy feet made of plastic
+ Level adjustment for easy compensation of uneven floors
+ Particularly burglar-resistant construction in accordance with level C of DIN 4547

Tipping dimension: 2013

Body ventilation: Perforated strip in the wardrobe base/head unit

Adjustment travel level adjustment: 25

Body surface: varnished

Depth: 500

Body color: RAL 9016 Traffic white

Substructure material: Made of plastic

changing room rail: fixed

Substructure: Feet

Door opening angle: 90

Country of origin: EN

Door material: Steel

Profile changing room rails: oval

lock: cylinder lock

Labeling material: Made of plastic

Total internal height: 1787

Mounting front: bolt hinge

Attachment Labeling: self-adhesive

Front color: RAL 3015 Light pink

delivery condition: mounted

Number of keys: 2

Height: 1950

Number of compartments: 2

Substructure height: 100

The color concept

With our new color concept, we are not only presenting current and attractive colors for every environment, but have also greatly simplified the color surcharge system. You won't need it very often anyway, because we now offer 144 colors and color combinations at no extra charge.

Locking systems

One for everything? That was once the case. Today's locking system solutions from C+P are as diverse as the applications for which they are designed. We would be happy to advise you on the options available for your specific project.

Accessories

Want to get the most out of your locker or steel cabinet for your practice? C + P offers a wide range of additional equipment.

Trust is good, but ...

control is better. At least when it comes to quality assurance. That is precisely why both our manufacturing processes and the C+P products themselves are subject to extremely demanding quality management, which is essentially based on two column bases: our in-house test laboratory on the one hand and, of course, regular external inspections and controls on the other.
