Datasheet "46090-221208.1"

# C+P SmartLocker add-on model 01

SmartLocker Prefino, indoor version: sturdy steel construction in a galvanised finish with a high-quality baked-on coating. Thanks to their modular design, the lockers can be expanded at any time.

**Compartment design:** swing-out fronts made from 13mm HPL material, mounted on robust torsion bar hinges and stainless steel pilasters, with a centre-hinged opening.

**Electronic lock:** concealed and tamper-proof installation. Locks available either with a Pop2Open mechanism *(the door opens once the user has selected the locker) or a Push2Open mechanism *(the user opens the door by tapping it). 150 mm high sloping installation roof to house the electronic components; secured by a mechanical security lock with a concealed emergency opening mechanism

**Base unit:** 100 mm high (painted) with levelling feet.

**The unit comprises:**

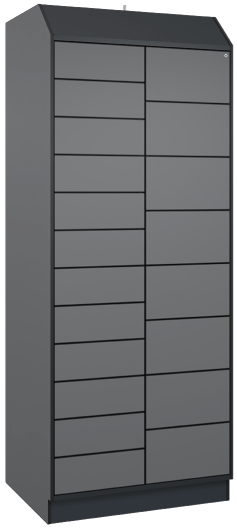
**Dimensions:** H 2100 x W 800 x D 600 mm

**Number and size of compartments:** 12 x ‘XS’ size (147), 8 x ‘S’ size (222)

**Cabinet colour:** RAL 7016 Anthracite Grey

**Front colour:** HPL / VK070 Carbon Grey

**Other colours and finishes available on request!**



**€6,778.00***

*List price excl. VAT plus shipping costs
