C+P assembled box lockers, Evolo PLUS, feet, 6 cases, 1950x300x500mm, 7035/0004

assembled box locker Evolo PLUS, 1 compartment with 6 cases, compartment widths 300 mm, body made of sturdy steel construction with high-quality enamel coating for high UV and corrosion resistance, specially break-open protected construction according to level C of DIN 4547, Door opening limiter 90 degrees, as protection against overstretching the door, Door(s) hinged on the right, Omission label frame, Steel doors with soft stop and closed side profiles for maximum stability, mounting in sturdy bolt hinges, 6 Cylinder locks with 2 keys, locking circuit up to 1000 different key numbers, 100 mm high plastic feet for extended corrosion protection, with integrated level adjustment and sleeves to stylishly cover the adjustment screws, conveniently adjustable from the inside and outside, Dimensions (H x W x D): 1950 x 300 x 500 mm, Color: RAL 7035 Light grey, Doors: 0005000 RDS Steel grey, Feet: RAL 7035 Light grey

Product advantages:

+ Practical assembled box lockers for locking away personal items, for more order and security
+ Doors extremely torsion resistant due to closed side profiles
+ Door opening limiter to protect the door from overstretching and from overlapping with the usable space of the neighboring cabinet
+ Increased corrosion protection thanks to zinc-plated locker base and sturdy feet made of plastic
+ Level adjustment for easy compensation of uneven floors
+ Particularly burglar-resistant construction in accordance with level C of DIN 4547

Tipping dimension: 2013

compartment width: 300

Fachanordnung:

Adjustment travel level adjustment: 25

Body surface: varnished

Depth: 500

Substructure material: Made of plastic

Substructure: Feet

Door opening angle: 90

Country of origin: EN

Door material: Steel

lock: cylinder lock

Mounting front: bolt hinge

Front color: RAL 7035 light gray

Body color: RAL 7035 light gray

delivery condition: mounted

Number of keys: 2

Height: 1950

Substructure height: 100

Front color: RAL 0005000 Steel gray

GS tested safety: GS_TUV_Thueringen

Width: 300

key number: Bolt

The color concept

With our new color concept, we are not only presenting current and attractive colors for every environment, but have also greatly simplified the color surcharge system. You won't need it very often anyway, because we now offer 144 colors and color combinations at no extra charge.

Locking systems

One for everything? That was once the case. Today's locking system solutions from C+P are as diverse as the applications for which they are designed. We would be happy to advise you on the options available for your specific project.

Accessories

Want to get the most out of your locker or steel cabinet for your practice? C + P offers a wide range of additional equipment.

Trust is good, but ...

control is better. At least when it comes to quality assurance. That is precisely why both our manufacturing processes and the C+P products themselves are subject to extremely demanding quality management, which is essentially based on two column bases: our in-house test laboratory on the one hand and, of course, regular external inspections and controls on the other.
