C+P assembled box lockers, Evolo PLUS, feet, 4 cases, 1950x400x500mm, 9016/3015

assembled box locker Evolo PLUS, 1 compartment with 4 cases, compartment widths 400 mm, body made of sturdy steel construction with high-quality enamel coating for high UV and corrosion resistance, specially break-open protected construction according to level C of DIN 4547, Steel doors with soft stop and closed side profiles for maximum stability, mounting in sturdy bolt hinges, Door opening limiter 90 degrees, as protection against overstretching the door, Omission label frame, Door(s) hinged on the right, 4 Cylinder locks with 2 keys, locking circuit up to 1000 different key numbers, 100 mm high plastic feet for extended corrosion protection, with integrated level adjustment and sleeves to stylishly cover the adjustment screws, conveniently adjustable from the inside and outside, Dimensions (H x W x D): 1950 x 400 x 500 mm, Color: RAL 9016 Traffic white, Doors: RAL 3015 Light pink, Feet: RAL 7021 Black grey

Product advantages:

+ Practical assembled box lockers for locking away personal items, for more order and security
+ Doors extremely torsion resistant due to closed side profiles
+ Door opening limiter to protect the door from overstretching and from overlapping with the usable space of the neighboring cabinet
+ Increased corrosion protection thanks to zinc-plated locker base and sturdy feet made of plastic
+ Level adjustment for easy compensation of uneven floors
+ Particularly burglar-resistant construction in accordance with level C of DIN 4547

Tipping dimension: 2013
Fachanordnung:
Adjustment travel level adjustment: 25
Body surface: varnished
Depth: 500
Body color: RAL 9016 Traffic white
Substructure material: Made of plastic
Substructure: Feet
Door opening angle: 90
Country of origin: EN
Door material: Steel
lock: cylinder lock
Mounting front: bolt hinge
Front color: RAL 3015 Light pink
delivery condition: mounted
Number of keys: 2
Height: 1950
Substructure height: 100
GS tested safety: GS_TUV_Thueringen
key number: Bolt
Shipping method: by truck
front stop 2: Hinged on the right
Door surface: varnished
Number of compartments: 1

The color concept

With our new color concept, we are not only presenting current and attractive colors for every environment, but have also greatly simplified the color surcharge system. You won't need it very often anyway, because we now offer 144 colors and color combinations at no extra charge.

Locking systems

One for everything? That was once the case. Today's locking system solutions from C+P are as diverse as the applications for which they are designed. We would be happy to advise you on the options available for your specific project.

Accessories

Want to get the most out of your locker or steel cabinet for your practice? C + P offers a wide range of additional equipment.

Trust is good, but ...

control is better. At least when it comes to quality assurance. That is precisely why both our manufacturing processes and the C+P products themselves are subject to extremely demanding quality management, which is essentially based on two column bases: our in-house test laboratory on the one hand and, of course, regular external inspections and controls on the other.
