C+P Double-tier locker, Evolo PLUS, 4 cases, 1850x600x500mm, 0010/0010

Double-tier locker Evolo PLUS, 2 compartments with 2 cases each, compartment width 300 mm, body made of sturdy steel construction with high-quality enamel coating for high UV and corrosion resistance, particularly burglar-proof construction in accordance with level C as per DIN 4547, with rear louvers at the top and bottom, inside each case 1 sturdy room rail made of oval profile with 3 anti-rotation double sliding hooks incl. system holder, With floor gliders for practical cabinet and floor protection, Door opening limiter 90 degrees, as protection against overstretching the door, Door(s) hinged on the right, Steel doors with soft stop and closed side profiles for maximum stability, with easy-to-clean ventilation hole pattern at the top and bottom, mounting in sturdy bolt hinges, 4 Ergonomic safety turning bolt for padlocks with bolt size 6 to 8 mm, incl. door protection, 4 Plastic label holder, black, self-adhesive, incl. transparent plastic cover and white label for individual labeling, Dimensions (H x W x D): 1850 x 600 x 500 mm, Color: 2406015 RDS Architectural blue, Doors: 2406015 RDS Architectural blue

Product advantages:

+ 50% space saving due to double-tier design compared to the single-tier model
+ Body with ventilation openings at the top and bottom for optimum air circulation
+ Doors extremely torsion resistant due to closed side profiles
+ Fronts additionally with easy-to-clean ventilation hole pattern for even more effective ventilation
+ Door opening limiter to protect the door from overstretching and from overlapping with the usable space of the neighboring cabinet
+ Increased corrosion protection thanks to zinc-plated locker base and aluminum floor gliders
+ Level adjustment for easy compensation of uneven floors
+ Safety turning bolt latch for padlock, ergonomically shaped, turns when closed and thus prevents breaking open by over-turning
+ Particularly burglar-resistant construction in accordance with level C of DIN 4547

compartment width: 300

Substructure: Floor glider

Body ventilation: Perforated strip in the wardrobe base/head unit

Body color: RAL 2406015 Architectural blue

Adjustment travel level adjustment: 25

Body surface: varnished

Front color: RAL 2406015 Architectural blue

Depth: 500

lock: Safety turning bolt

changing room rail: fixed

for bolt size: 6-8

Door opening angle: 90

Country of origin: EN

Door material: Steel

Profile changing room rails: oval

Labeling material: Made of plastic

Total internal height: 1787

Mounting front: bolt hinge

Attachment Labeling: self-adhesive

delivery condition: mounted

Number of compartments: 2

GS tested safety: GS_TUV_Thueringen

Height: 1850

key number: Bolt

The color concept

With our new color concept, we are not only presenting current and attractive colors for every environment, but have also greatly simplified the color surcharge system. You won't need it very often anyway, because we now offer 144 colors and color combinations at no extra charge.

Locking systems

One for everything? That was once the case. Today's locking system solutions from C+P are as diverse as the applications for which they are designed. We would be happy to advise you on the options available for your specific project.

Accessories

Want to get the most out of your locker or steel cabinet for your practice? C + P offers a wide range of additional equipment.

Trust is good, but ...

control is better. At least when it comes to quality assurance. That is precisely why both our manufacturing processes and the C+P products themselves are subject to extremely demanding quality management, which is essentially based on two column bases: our in-house test laboratory on the one hand and, of course, regular external inspections and controls on the other.
