C+P Double-tier locker, Evolo PLUS, 2 cases, 1950x300x815mm, 7016/7016

Double-tier locker Evolo PLUS, as school locker, 1 compartment with 2 cases, compartment width 300 mm, sturdy steel construction body with high-quality enamel coating for high UV and corrosion resistance, particularly burglar-proof construction in accordance with level C to DIN 4547, with rear louvers at the top and bottom, inside each case 1 sturdy room rail made of oval profile with 3 anti-rotation double sliding hooks incl. system holder. System holder, with bench built underneath the locker, frame made of sturdy square steel tube 30 x 30 mm, with adjustable floor gliders for easy level adjustment, Door opening limiter 90 degrees, as protection against overstretching the door, Door(s) hinged on the right, Steel doors with soft stop and closed side profiles for maximum stability, with easy-to-clean ventilation hole pattern at the top and bottom, mounting in sturdy bolt hinges, 2 Cylinder locks with 2 keys, locking circuit up to 1000 different key numbers, Seat bars made of plastic material, with steel core for high stability, 2 Plastic label holder, black, self-adhesive, incl. transparent plastic cover and white label for individual labeling, Dimensions (H x W x D): 1950 x 300 x 815 mm, Color: RAL 7016 Anthracite grey, Doors: RAL 7016 Anthracite grey, Frame: RAL 7021 Black grey, seat surface: RAL 7021 Black grey

Product advantages:

+ 50% space saving due to double-tier design compared to the single-tier model
+ Body with ventilation openings at the top and bottom for optimum air circulation
+ Doors extremely torsion resistant due to closed side profiles
+ Fronts additionally with easy-to-clean ventilation hole pattern for even more effective ventilation
+ Door opening limiter to protect the door from overstretching and from overlapping with the usable space of the neighboring cabinet
+ Reduced body height, especially for low rooms
+ Level adjustment for easy compensation of uneven floors
+ Bench built underneath the locker for easy floor cleaning and a clean look
+ Seat bars made of plastic material for optimum hygiene and cleaning
+ Particularly burglar-resistant construction in accordance with level C of DIN 4547

„German Quality"
from the market leader

The color concept

With our new color concept, we are not only presenting current and attractive colors for every environment, but have also greatly simplified the color surcharge system. You won't need it very often anyway, because we now offer 144 colors and color combinations at no extra charge.

Locking systems

One for everything? That was once the case. Today's locking system solutions from C+P are as diverse as the applications for which they are designed. We would be happy to advise you on the options available for your specific project.

Accessories

Want to get the most out of your locker or steel cabinet for your practice? C + P offers a wide range of additional equipment.

Trust is good, but ...

control is better. At least when it comes to quality assurance. That is precisely why both our manufacturing processes and the C+P products themselves are subject to extremely demanding quality management, which is essentially based on two column bases: our in-house test laboratory on the one hand and, of course, regular external inspections and controls on the other.
