

# C+P storage lockers, Evolo PLUS, 2 compartments, 1850x600x500mm, 9016/9016

storage solutions Evolo PLUS, 2 compartments, compartment widths 300 mm, body made of sturdy steel construction with high-quality enamel coating for high UV and corrosion resistance, particularly burglar-resistant construction in accordance with level C as per DIN 4547, with rear louvers at the top and bottom, 4 shelves inside per compartment, doors hinged on the right, With floor gliders for practical cabinet and floor protection, Door opening limiter 90 degrees, as protection against overstretching the door, Door(s) hinged on the right, Steel doors with soft stop and closed side profiles for maximum stability, with easy-to-clean ventilation hole pattern at the top and bottom, mounting in sturdy bolt hinges, 2 Ergonomic safety turning bolt for padlocks with bolt size 6 to 8 mm, incl. door protection, 2 Plastic label holder, black, self-adhesive, incl. transparent plastic cover and white label for individual labeling, Dimensions (H x W x D): 1850 x 600 x 500 mm, Color: RAL 9016 Traffic white, Doors: RAL 9016 Traffic white

## Product advantages:

- + Body with ventilation openings at the top and bottom for optimum air circulation
- + Doors extremely torsion resistant due to closed side profiles
- + Fronts additionally with easy-to-clean ventilation hole pattern for even more effective ventilation
- + Door opening limiter to protect the door from overstretching and from overlapping with the usable space of the neighboring cabinet
- + Increased corrosion protection thanks to zinc-plated locker base and aluminum floor gliders
- + Level adjustment for easy compensation of uneven floors
- + Safety turning bolt latch for padlock, ergonomically shaped, turns when closed and thus prevents breaking open by over-turning
- + Particularly burglar-resistant construction in accordance with level C of DIN 4547

## The color concept

With our new color concept, we are not only presenting current and attractive colors for every environment, but have also greatly simplified the color surcharge system. You won't need it very often anyway, because we now offer 144 colors and color combinations at no extra charge.

## Locking systems

One for everything? That was once the case. Today's locking system solutions from C+P are as diverse as the applications for which they are designed. We would be happy to advise you on the options available for your specific project.

## Accessories

Want to get the most out of your locker or steel cabinet for your practice? C + P offers a wide range of additional equipment.

## Trust is good, but ...

control is better. At least when it comes to quality assurance. That is precisely why both our manufacturing processes and the C+P products themselves are subject to extremely demanding quality management, which is essentially based on two column bases: our in-house test laboratory on the one hand and, of course, regular external inspections and controls on the other.

Many of our products are GS-tested by TÜV Thüringen. We will be happy to send you copies of the relevant certificates on request.
