Product advantages:

- + Steel body with closed and beveled side profiles for high stability and easy removal of clothing
- + 50% space saving due to double-tier design compared to the single-tier model
- + Ventilation openings in the rear panel for good ventilation of the cabinet interior
- + Doors have extremely high torsion resistance thanks to profiles that are closed on all sides
- + Door opening limiter to protect the door from overstretching and from overlapping with the usable space of the neighboring cabinet
- + Level adjustment for easy compensation of uneven floors
- + Suitable for wet rooms thanks to electrolytic galvanizing and enamel coating
